Announcing Molten's NEW 2014 Beach Line

As one of the world's leading manufacturers of competition quality sports balls, Molten is taking its expertise and knowledge from the court to the beach with the introduction of the new 2014 beach product line. Molten is dedicated to being at the forefront of technological innovation with the goal of providing the highest quality and value to athletes throughout the world – both on the court and on the beach.

The BV5000 Elite Series features a premium hand-stitched polyurethane cover for ultimate playability and superior touch. Designed for maximum durability, this series will consistently withstand the daily demands of elite competition in an outdoor environment.

Contemporary Design: Inspired by the effortless simplicity of the ocean's horizon line, this modern design echoes the beauty and wonderment found where the ocean meets the sky.

Molten's new Light Touch and Recreational MS500 Beach Series feature an ultra soft cover which provides ease of touch that every level of beach player will enjoy. Available in a variety of bright and energizing designs, these balls are perfect for the beach game.

Product Features

ACENTEC™ Soccer Ball Technology

1. Cross-Fusion Bonding - Molten's ACENTEC™ soccer balls feature a smooth, seamless surface for quicker, more sensitive ball touch. Cross-Fusion bonding offers athletes the precision they demand with minimum absorbency and maximum abrasion resistance.

2. Optimized Panel Construction - ACENTEC's™ engineered foam is wrapped in a skin of high-performance polyurethane for finer ball control and excellent bounce. The innovative panel construction provides a high degree of elasticity.

3. Enhanced Multi-Layer Architecture - ACENTEC™ Technology incorporates advanced lamination techniques. The resulting multi-layer architecture drastically enhances ball roundness, shape retention and durability.

4. Molten Grade Latex Bladder - ACENTEC™ soccer balls feature a premium latex bladder crafted from carefully selected natural materials, leading to superior rebound performance.

Product Features

MOLTEN Advanced Basketball Technology

1. Molten Flat-Pebble Surface - Molten's Advanced Basketball Technology provides an increased area of contact, maximizing grip and control by modifying the standard pebble surface of a basketball to have a smoother texture.

2. Molten Full-Flat Seam - Flattened seams between panels provide more consistent backspin for stable, accurate shooting and passing no matter how the ball is held.

3. GIUGIARO Design - Unique two-tone design provides enhanced visibility on the court.
